Dear Parents;

Happy New Year! I hope you all had a chance to rest and re-charge your batteries. I would like to take this opportunity to wish you health, happiness and all things good, in the New Year! We were happy to welcome your children back to school on Tuesday; we saw lots of smiles and heard lovely stories about their holiday adventures.

Please take note of the following:

CHRISTMAS BASKET CAMPAIGN, 2018: A very big *THANK YOU* to everybody who contributed in any way to our 2018 Christmas Basket Campaign! Your active support and interest made it possible to help several of our families. A very special thank you to Mrs. Bertram who organized and coordinated this campaign and to all packers, drivers and students who carried boxes and endless loads of food through our school to the Library! After 25+ years of generously donating her time and energy to help families in need, Mrs. Bertram has decided that this will be her final year of preparing baskets. We are so very grateful for the work that she has done and we are confident that we will be able to help our families next year through alternative means.

A MESSAGE FROM YOUR PPO: Did you know that there is a Lennoxville Elementary parents group on Facebook? There you can find information on PPO and related activities in the school, such as updates on the playground project, reminders for deadlines, and upcoming events. Request to join by searching for "Lennoxville Elementary School Parent Participation Organization" on Facebook. If you're not on Facebook but would still like to receive updates, we are setting up an email list for those wishing to receive information that way. Please send an email to lennoxvilleppo@gmail.com to request to join the email list.

APPROPRIATE WINTER DRESS: Now that winter is here, it is important to ensure that your children are dressed warmly. Please make sure that they have snow pants, warm jackets, hats, mittens and scarves when they leave in the morning. They will be playing outside for 20 minutes at recess and 25 minutes at lunch. Only on exceptionally cold days will we be remaining indoors, so it is important that they are prepared.
