LENNOXVILLE

ELEMENTARY SCHOOL

Our Mission

The mission of Lennoxville Elementary school is to provide a safe, respectful, quality environment that inspires lifelong learning through a collaborative, community effort that stimulates, motivates and guides all children to discover and to achieve their individual best.

Let Every Student Succeed

Our School

Lennoxville Elementary School is located in the picturesque borough of Lennoxville close to Bishop's University and Champlain College campuses. We host students in training from both institutions as well as from the University of Sherbrooke. We have a vibrant school community committed to student success.

Our Facilities Include:

Special Needs

We believe in inclusive education. Accommodations are arranged when needed so that all children are included where and when they can be.

Other

Each classroom from kindergarten through Cycle One has at least one computer with internet access. Most classrooms are also equipped with interactive smart boards. Cycle two & three students have access to laptops and/or iPads. Resource classrooms have mini-labs with programs installed for use by special needs students.
