

Message From the Principal

Thank you for taking the time to visit our school website. We have a wonderful school community here at Lennoxville Elementary. I am proud of our staff, of our students and of the programs and traditions that make our school unique. I am also extremely proud of the high quality of teaching and learning that we facilitate on a daily basis, as well as the achievements of our students.

We take our motto of "Let Every Student Succeed" very seriously. Our goal for each student is that they reach the highest possible academic and social standard of which they are capable. Our vision is that each student in our care will leave our school as a fully rounded young person, having developed a love of learning that will remain with them for life. While in our school, we want each one of our students to have the opportunity to develop their individual talents whether it be in sports, academics, the arts, or in leadership. We understand that the key to a successful future lies in self-confidence and perseverance, virtues that we strongly emphasize.

Our school atmosphere is warm and structured, friendly and focused, child-centred and ambitious. We believe that children learn and grow best in this type of disciplined yet caring environment.

We hope that you enjoy visiting our website and please don't hesitate to contact us should you have questions about our school.

Dawn Irving
Principal
