

Maternelle Immersion Française

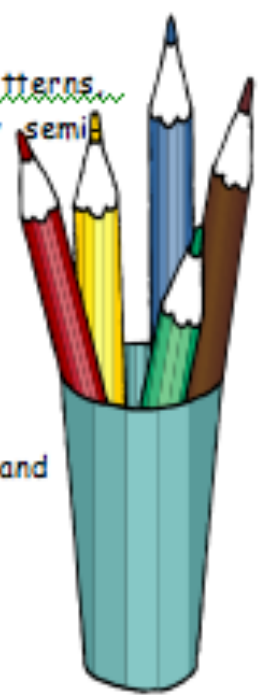

1. Here is a list of stories and themes I will explore with the children this year. The different aspects of the kindergarten program are based in these stories and themes such as: songs, art, pre-writing rhymes, rhythm, dramatisation.

To learn French expressions I am going to use stories in which these French expressions are used.

SEPT.	- Les <u>trois petits cochons</u>
OCT.	- Suzie le serpent
NOV.	- Les trois petits chats
DEC.	- Le lutin maladroit
JAN.	- Les trois ours
FEV.	- Le lion et la souris
MARS	- Le petit amérindien
AVRIL	- La chatte Pirate
MAI	- Various stories from books
JUIN	- Various stories from books

At the same time I will introduce themes to complete the vocabulary that the children need to improve.

- Les couleurs	SEPT.
- L'automne- L'Halloween	OCT.
- Le <u>schéma corporel</u>	NOV.
- Noël	DEC.
- L'hiver	JAN.
- Moi et ma famille	FEB.
- Pâques et les amérindiens	MAR.
- Les animaux de la ferme	APR.
- Le printemps	MAY
- <u>L'été</u>	JUNE

2. MATH: Every new concept such as: sizes, sets, similarities, patterns, classification, differences is first explored by manipulation then by semi-concrete exercises on paper. we also learn to count up to 39 and the concept (value), recognition and the writing of numbers 0-10.
3. PHONICS: We will learn letters and sounds and French vocabulary to go with each letter. Children will learn to recognize where a certain sound is located in a word (beginning, middle, end).
4. WRITING: Children will learn to form capital and small letters correctly and numbers 0-10.
- 

Your child will receive all the instruction in French during my classes
